Update from the President of MG Classics of Jacksonville

August 2023

On Saturday, July 29, our July club meeting, was held at the Yards athletic facility in Sawgrass. While I was unable to attend, I am informed that Fred did an outstanding job and that the members who attended genuinely enjoyed the locale. We are now scheduled for our August 26 and September 30 meetings at the Yards as well. I strongly encourage those of you who did not attend to join us for the August and September meetings. I think you will enjoy it.

The Yards restaurant, called the Argyle, has been completely remodeled, and I plan on patronizing the restaurant after our meeting and I urge you to join me. Mike Miles, the General Manager, is graciously hosting our meetings without charge and I am sure that he would appreciate our members patronizing the facility. I am considering requesting a price proposal from them to host our club party in December, and I would like some feedback from some of you as to your opinion on this subject. The October club meeting will be held at Legacy Automotive on October 28. The club meeting will be contemporaneous with a tech session opportunity for minor repairs and light maintenance. The club will also be hosting a picnic at club expense at this meeting.

The October meeting is also the club's scheduled meeting for nomination of officers for 2024 and 2025. Please consider whether you wish to nominate or serve as an officer to give back to the

club in the future. Nomination will lead to elections to be held at the November meeting, probably at Bannan Lakes.

The new Club grill badges have arrived and are now available through the club website for \$40. I will have some at the August meeting for your examination. Also, the MG 100 Centenary badges, which some of you ordered in May, have arrived. I will bring them to the August meeting to distribute to those of you who requested them. I am holding 5 Centenary Badges for members who requested them at the May meeting. Please arrange with me to pick them up, or I will make them available to other members who have expressed an interest.

Over the next three months there are many events coming up that you all might enjoy. Briefly, October 7, Cruisin to the Creek; October 14, British Car Classic at Kings Head; November 11, St Augustine Classic Car show returns to Florida School for the Deaf and Blind; November 12, Ponte Vedra Auto Show. All shows I am going to and I hope you all will too.

Finally on a personal note, I have finished my 9 weeks of radiation and I still do not glow in the dark.

I was looking forward to seeing many of you on July 29 at The Yards. But I missed out. I hope to see many more of you on August 26. Please sign up on the web page and give our new venue a try. I am sure that you will all enjoy The Yards..
