Ja January 15th 2021

Happy New Year my fellow MG enthusiast's! I hope this finds all of you in good health and fine spirits and more importantly getting your classic MG ready for the 2021 season and many hours of cruising.

I'll start off by informing you that we have canceled January's club meeting.

Initially because Trout Creek Marina informed us that there was the Jimmy Jam BBQ Slam and Car Show scheduled for the same date as our meeting. But after some thought and in lieu of the dramatic rising COVID-19 cases in our state I felt it best to wait until February to resume meeting, with the expectation the surge would subside and the risks lowered.

As can be seen on the website under Club 'meeting details' there is an opportunity for those still wanting to gather (socially distancing of course), to either participate in the Jimmy Jam car show or just show up to eat some great BBQ and look at some cool cars. I believe this will be a well attended event so anyone interested should certainly weigh the risk and take all personal precautions as outlined by the CDC.

With the arrival of the COVID-19 vaccines I am optimistic we will gradually start to return to some sense of normalcy. That Tech Sessions and club drives and picnics will return and more of our senior members will be able to get out and attend some of these events and our monthly meetings. I will say that I have been very pleased with our meeting attendance these last 6-7 months and note the Christmas party was a huge success. This format of meeting on a Saturday outdoors for lunch has proven to be very effective and has provided an outlet for our members to enjoy the camaraderie and sharing of passion for our cars. There certainly has been a much greater show of MG's at our meetings and that is our main mission, to drive our cars and preserve their legacy.

In closing please visit our website often to check for updates and news and look at the calendar for events and opportunities to get out and drive these cars we love.

Safety Fast,

Bruce

Meeting Minutes

MG Classics of Jacksonville

Meeting & Christmas Party: December 13, 2020

Meeting Convened: 2pm

Total Attendance: 34

Number of MGs: 15

New Members: None

Returning Members: Geoff & Paula Ashcroft (Fleeing the Snow in the Frozen North)

Guests: Doreena Ranieri, Bethany Zruck

Location: The December Club Meeting was the Annual Christmas Holiday Party to wind-up the Year. The Party was held at Trout Creek Marina in the open air on Sunday, December 13, 2020. The open air Party was held to help mitigate the potential to transmit the COVID virus.

Thirty-Four Members attended the Party bringing Fifteen MGs, most of which were dressed in Christmas Livery. The weather was Perfect; bright, sunny, and warm. An Oasis of Sunshine following a wet week.

Kudos to Vanessa Albright for organizing the Catering of a Boxed Christmas Meal that was exceptional, and Roberta Sedelmeyer for baking Zillions of Cookies and helping with the setup.

The Proceedings:

Inauguration of the Officers: The Christmas Party is the time to Inaugurate the new Slate of Club Officers for the coming Year, with the main feature; giving the incoming President "The Shaft". An annual Club Tradition. Bruce Sedelmeyer was duly "Shafted" and Inaugurated as the Club's 2021 President. No stranger to the Shaft, Bruce was unanimously elected for a third term. The Officers helping Bruce with the management of the Club through 2021 are as follows: Vice President, Mark Spaulding. Mark is a Newbie to the Officer role; Secretary, Sybil Bradley, another Third Termer, and looking after the Finances, Mike Hogan. Mike has done a Sterling job for three consecutive years tracking the reporting the ebb and flow of the Club's financial transactions. New Business

Bruce went on to recap 2020 and his expectations for 2021:

"The Strangest year ever! For me, it started with triple bypass surgery Feb 3 and 3 months of rehab. Covid-19 hit about the same time and shut down our usual monthly last Monday of the month restaurant meetings. This lasted until May when a few of us hopped in our MGs and cruised up to Fernandina for an impromptu lunch outside at one of the parks. This worked well and we tried it again in June with a larger group at this very location (Trout Creek Marina). Our "New Normal" meeting was born".

"We have met here every month since June with excellent results. I would like thank Ian Massey for his hard work in negotiating our contract with Ring Power to secure this site for our meetings thru to April 2021. Covid-19 resulted in the cancelation of most of the regular car shows, Cars&Coffee events, and most notably the 2020 GOF. With a Vaccination due to be released soon it is difficult to forecast how 2021 will play out as far as a return to normalcy. I personally believe we will continue with more of the same for a while especially with our club due to the Member age profile and vulnerability. It is my desire that we continue doing what we have been and hopefully we can find one or two other locations to mix things up a bit".

"2020 saw the passing of a beloved member Choo-Choo Germano, long time member and all around great guy, and long term member James Albright. We are also missing Neil Nelson who has missed just 2 Christmas parties in the last 49 years both due to his wife Johnnies illness".

"Wishing all Club Members and their families a Healthy and Prosperous 2021".

MG International 2021: Vice President Elect, Mark Spaulding, commented that he was organizing a Caravan to MG International 2021, Scheduled for June 2021. For more information: Click Here.

Parade of MGs: One of the advantages of holding our meetings and this Party during daylight hours on a weekend is that it attracts a significant number of MGs. The Party organizing committee decided that it was not appropriate to hold the traditional Gift Exchange to help mitigate COVID Virus transmission. It was requested that Members decorated their MG in a Christmas Livery and the best decorated car would receive an Award. It was a close result as the event featured some fine Christmas

livery. By a nose (or Radiator Grill) the Award went to Cherry Jones and her 1952 MGTD.

Raffles and 50/50:

Various items were donated by Jim Hall, Neil Nelson, and Bruce Sedelmeyer for a series of Raffles that took place.

The Part at Cost Raffle donated by Neil Nelson and Wayne Snook was won by Paula Massey and the 50/50 win of \$53 went to Lily Kinmonth.

Comment: The format of the Outdoor meeting promotes more interaction between members rather than indoor meetings in a restaurant. There was significant interaction between members during the Party. Officially the Party ended at 4.30 but there remained groups of members talking MGs and other items after the Party Close.

Founded in 2013, The Amelia's Cars & Coffee at the Concours allows individuals with vintage, exotic, and collectible vehicles to gather on the same show field used to display vehicles entered in the following day's prestigious Concours d'Elegance.

Unlike Sunday's main event that is limited to a select group of vehicles with unique historical significance specifically chosen to tell a thoughtfully-scripted story, Saturday's Cars & Coffee at the Concours features a diverse group of vehicles that celebrate the automotive enthusiast's spirit. Proud owners of beautiful collectible and exotic vehicles awake early, shine up their prized automobiles, drive to The Golf Club at Amelia Island and gather with like-minded enthusiasts on the first, tenth, and eighteenth fairways for a cup or two of fresh coffee.

Cars & Coffee at the Concours is free to spectators, but participants must submit an application with the fee for showing a car. The event generally fills up in early November or December.

Cars & Coffee is fully subscribed for 2021
