We all met there for Our May Club Meeting, which was a fun unique vibe. Atmosphere was great & the food was super! 35 people in attendance and about 19 Cars!

At that meeting we discussed the success of the GOF SOUTH Event in Gainesville

60th GOF South: Your MG Holiday

April 14-17 2026

'Radisson Resort at the Port' in Port Canaveral, FL

Wow Wow Wow! We are really pedal to the floor!

Our amazing GOF website is up and full of detailed information on the schedule of events, apparel, dining, drives, tech and lifestyle sessions and of course our First Timers Show and our GOF Car Show. (Please do note that the site works best when viewed from a tablet or PC, it gets a little line fractured when viewed from your phone.)

No time like the present to get registered, get your discount and pick out a great new outfit!

Our 2026 Car Show now brings a whole new level of prestige; for the very first time our GOF event will include a concours level award! We are honored to have Tom Metcalf, world renowned MG expert and concours d' elegance winning restoration specialist, judging our field for the 'Best from Abingdon' trophy. Tom is also our keynote speaker and will kick off our GOF at 3pm Tuesday April, 14 so make sure you arrive in time to enjoy his session on 'MG in the Pre-War Years'. A special thank you to Nick Pardee and Goldseal, LLC for sponsoring this award!

Our focus for the coming months will be in expanding our sponsorship relationships. We do this to benefit our club but also to connect us all to services that can enhance our MG experience. It's a win-win! If you do have a business or personal relationship that might be interested in promoting or sponsoring our event, please let Mark or me know so we can log and I will thank you in advance. We want to avoid having any duplicate reach outs!

Thank you also to those who have started to provide me with auction or raffle baskets. Keep em' coming and reach out if I can help pick up etc.

Cheers to the Best GOF 2026!
